	Helen Duteau	Clarification Regarding Trish's Role
	Victoria Binetti	<i>Yes, Helen, what you describe is what we understand to be Trish's role</i>

Hi All,

I wanted to provide some clarification regarding Trish's role in Marcellus Shale, which was also confirmed by our DD when we briefed him earlier today. Trish has been asked to be the point of contact for Mrs. Roter and her group, but not for the general public. That role has not yet been defined. I wanted to make that distinction because there may have been some confusion at this morning's meeting. However, please do continue to send Trish any inquiries you get from Mrs. Roter and her group and Trish will continue to work with you on responses, as necessary. Let me know if you have any questions or concerns. Thanks.
